

3D Organon Anatomy - Seat License Installation Instructions

HSLIC has purchased access to the 3D Organon Anatomy app for all HSC students.

To install 3D Organon Anatomy, please select an online store suitable for your device. If you are installing the app through the Steam store, you should create a Steam account first.

Desktop computers:

- Apple Mac computer - [STEAM](#)
- Windows computer - [Microsoft Store](#) or [STEAM](#)

Tablet and mobile devices:

- iOS devices - [App Store](#)
- Android devices - [Google Play](#) or [Huawei AppGallery](#)

Once you download and install 3D Organon Anatomy, launch the app and log in with your credentials:

Username: your HSC email

Password: 123456 is the default; it can be changed [here](#)

License key: contact HSLIC at the [Ask a Librarian page](#)

If you need access (new student, late registration, or an HSC faculty member), contact HSLIC through the [Ask a Librarian page](#)

If you have any questions or you need assistance with the installation, do not hesitate to contact our Organon's Customer Support team at support@3dorganon.com.

Overview/How-To:

Here are overview videos of 3D Organon's features:

[For iOS and Android](#)

[For Windows and Mac](#)

You can find more videos on specific features on the [3D Organon channel](#) on YouTube.

Find the full [user manuals here](#).
